

To Our Northern Virginia Hockey Club Friends:

For almost 50 years, the Northern Virginia Hockey Club (NVHC), a volunteer-run, 501(c)(3) organization, has focused on making ice hockey accessible, affordable and fun for Northern Virginia Families. Our programs include opportunities for boys and girls ages 5-19, at all levels of skill and commitment. NVHC's goal is to provide our youth with the opportunity to learn and play the game of ice hockey in an environment of equal participation and competitiveness and to instill in them the idea of individual achievement, team play and sportsmanship.

Generations of local "Ice Dog" families have participated in our exceptional brand of fun, competitive, and family-friendly hockey. Even as we have weathered significant challenges in the last few years, with rinks closing due to pandemic and renovations, our community has stayed strong. As we return to our home at the newly renovated Mount Vernon ice rink, we are poised to regrow our programs and expand that community.

**We invite you to be a part of our exceptional local youth program by offering your support.**
